

It's Only For You

Robin Schulz

It's only for you, it's only for you
It's only for you, it's only for you
It's only for you, for you, for you, for you
It's only for you, for you, for you, for you

It's only for you (Tonight)
It's only for you, for you, for you, for you
It's only for you (Tonight)
It's only for you (Tonight)

Tonight, tonight
Tonight, tonight
It's only for you, it's only for you
It's only for you, it's only for you

Tonight, tonight
Tonight
Tonight, tonight
Tonight

It's only for you (Tonight)
It's only for you (Tonight)
It's only for you (Tonight)
It's only for you
