

Show Me Love

Robin Schulz

G

There's a notebook on the table

Bm

D

You can take it to the store so you won't forget the

G

groceries anymore

G

Bm

There's a rifle in the cabinet that I used to fight over

D

G

But to this day, I don't know what I was fighting for

I'm fighting for

G

Will you show me love as we get older

Bm

And I'm falling at your feet

A

After 30 years of service

G

And one to fit our need

G

Show me love as we grow colder

Bm

Let our love provide the heat

A

That our older bones are missing

G

But our heart's will never need

G

Bm

There's a blanket on the sofa that I used to keep you warm

D

G

When I find you fast asleep at half past four

G

Bm

There's a record we keep turning that reminds us of our youth

D

G

But there's still nothing as beautiful as you

G

Will you show me love as we get older

Bm

And I'm falling at your feet

A

After 30 years of service

G

And one to fit our need

G

Show me love as we grow colder

Bm

Let our love provide the heat

A

That our older bones are missing

G

But our heart's will never need

(As we grow colder

Love provide the heat
Older bones are missing
Heart's will never need)

Because your hand belongs in my hand, belongs in your hand, belongs with...
with me
(Blanket on the sofa that I used to keep you warm
There's a record we keep turning that I used to turn you on)

Will you show me love as we get older
And I'm falling at your feet
After 30 years of service
And one to fit our need
Show me love as we grow colder
Let our love provide the heat
After 30 years of service
And one to fit our need
Show me love as we grow colder
Let our love provide the heat
That our older bones are missing
But our heart's will never need
