

Fine Day

Robin Trower

It's a fine day! There's nothing moving in the sky.
It's a fine day! Cross my heart and hope to die.

Stay with me baby. The love is in your eyes.
So good being alive on a fine day.

A new day! I feel so good this morning.
It's a new day! There's a promise in the dawning.

Stay with me, baby. The love is in your eyes.
So good being alive on a fine day.

It's a fine day! Now the story is unfolding.
Oh, in his hands. And his hands are like .

Stay with me, baby. The love is in your eyes.
So good being alive on a fine day.
