Turn It Up

Robots in Disguise

I woke up weak today and needing your voice
Crawled into the speakers and turned up the volume
Felt so sick today but cured by your noise
My head in the speakers is drowning out volumes
In "ashes to ashes", I'm falling falling
In "ashes to ashes", I'm losing losing
In "curl and grazes", I'm feeling feeling
In "curl and grazes", I'm losing losing
Turn it up turn it up turn it up turn it up
Turn it up turn it up turn it up turn it up
Turn me on
Turn it up turn it up turn it up turn it up
Turn it up turn it up turn it up turn it up
Turn me on
I dress up bright tonight and needing the beat
Dance into the speakers and max up the volume
Feel so high tonight and moved by my feet
My heart in the speakers is loving the volume
In "pretty vacant", I'm jumping jumping
In "pretty vacant", I'm moving moving
In "teaches of Peaches", I'm speeding speeding
In "teaches of Peaches", I'm moving moving
Turn it up turn it up turn it up turn it up
Turn it up turn it up turn it up turn it up

Turn me on
In "Delia's gone" I'll keep it with mine
"Birdland clouds" "sous le soleil"
"Sous le soleil" exactement sunshine "superman"
I want you ghosts in some "velvet morning"
"Paper wings" "Virginia Avenue" Laura
In "summer's almost over" I "walk the line" a night
Like this "strange fruit"
In "hat full of hollow", I'm diving diving
In "hat full of hollow", I'm screaming screaming
In "Boys and voodoo", I'm living living
In "Boys and voodoo", I'm screaming screaming
