

And I Love You So

Roch Voisine

And I'll love you so The people ask me how How I lived till now
, I tell them I don't know

I guess they understand how lonely life has been But life began
again The day you took my hand

And yes, I know how lonely life can be The shadows follow me an
d the night won't set me free But I don't let the evenings get
me down Now that you're around me

And you love me too Your thoughts are just for me You set my sp
irit free I'm happy that you do

The Book of Life is brief And once a page is read All but love
is dead That is my belief

And yes, I know how loveless life can be The shadows follow me
and the night won't set me free But I don't let the evenings ge
t me down Now that you're around me

And I love you so The people ask me how How I lived till now, I
tell them I don't know
