

## Dream

Rock Kills Kid

I take a step forward then  
I end up right back where  
Where I started from back where I belong  
Away from reality

This dream is never ending, I want to wake up from this dream  
Wake up from this dream  
I can't help my mental state, I play hard but I never can win  
Just don't look back and keep on fighting

I feel so empty right now  
Nothing to inspire me but somehow  
I keep on dreaming away  
Hoping I will wake up soon someday

This dream is never ending, I want to wake up from this dream  
Wake up from this dream  
I can't help my mental state, I play hard but I never can win  
Just don't look back and keep on fighting

I used to be a happy guy but not today  
Don't try and tell me I will be okay  
There's nothing I can do to wake up from this dream

This dream is never ending, I want to wake up from this dream  
Wake up from this dream  
I can't help my mental state, I play hard but I never can win  
Just don't look back and keep on fighting

This dream is never ending, I want to wake up from this dream  
This dream is never ending, I want to wake up from this dream  
This dream is never ending, I want to wake up from this dream  
This dream is never ending, I want to wake up from this dream
