

Fallin

Rockie Fresh

You could tell a lie just like I want
You could hide the truth a little longer
'Cause I'm so used to being where it's warm
It's cold outside, don't make me leave the water

It's a long way down, it's a long way down
And you're just gonna watch me
Fallin', fallin'
I'm fallin', fallin'
Fallin', fallin'
I'm fallin', fallin'

Once they used to feel as one
Yeah, I'm stuck in LA, it feel like a maze
I'm countin' the days, I'm makin' my plays
It's cold outside, don't make me leave the water (Yeah)
I'm back in the Chi, that's where I get high
We ride 'til we die, we party for life
Once they used to feel as one (Yeah)
I'm back in Miami, I'm post with my family
I'm workin' so hard I'ma get me a Grammy
It's cold outside, don't make me leave the water (Yeah, yeah)
Go back out to Denver, we spendin' the winter
I chill with my niggas, we run up them figures
Figurin' no one can see us, I send again
Feel like the pressure been killin' me
Feel like nobody been feelin' me
I'm wonderin' reasons to why I live
And if they gon' take what I got to give
And if I'm gon' have to move out the crib
This shit's startin' to f*ck with my confidence
And they ain't been givin' no compliments
And niggas ain't usin' no common sense

If I don't do nothin', I promise this
And one day I'll make it up out the shit
I know that I'm missin' when I was down
I know that you know that it's been a while
And I don't wanna wait too long
But I don't wanna take too long, then you know

It's a long way down, it's a long way down
And you're just gonna watch me
Fallin', fallin'
I'm fallin', fallin'
Fallin', fallin'
I'm fallin', fallin'

My daughter was born, the feeling was foreign (Fallin')
I'd rather be home than be gone (Fallin')
Can't leave her alone, the feelin' too strong
I promise I'm back in my zone
I got a new reason to do it (Fallin')
A reason to go and turn up with the music (Fallin')
Plus, I took a step back and been viewin'
And I could see all of the kids I've influenced
I'm feelin' the love again (Fallin')

I'm feelin' the love again (Fallin')
Yeah, high off the life
Thinkin' I'm feelin' the buzz again
Yeah, startin' to get feelings (Fallin')
I'm feelin' I wanna do drugs again (Fallin')
I feel I'm in touch again
I feel like I don't wanna rush again

Fallin', fallin'
Fallin', fallin'
It's a long way down, it's a long way down (Fallin', fallin')
Fallin', fallin'
