

# Girl From The North Country

Rod Stewart

If you're traveling in the north country fair  
Where the winds hit heavy on the borderline  
Remember me to the one who lives there  
She was once a true love of mine

And if you're goin' when the snowflakes storm  
When the rivers freeze and summer ends  
Please see for me she has a coat so warm  
to keep her from the howling wind

Would you see for me that her hair's hanging long  
That it rolls and flows all down her breasts  
See for me that her hair's hanging long  
'Cause that's the way I remember her best

But I'm a-wondering if she remembers me at all  
Many times I've often prayed  
in the darkness of my night  
in the brightness of my day  
So if you're traveling in the north country fair  
Where the winds hit heavy on the borderline  
Remember me to the one who lives there  
'Cause she was once, she was once a true love of mine

And she'll always be a true love of mine  
And I never, never, never, never give her up
