

I've Got My Love To Keep Me Warm

Rod Stewart

The snow is snowing, the wind is blowing
But I can weather the storm!
What do I care how much it may storm?
I've got my love to keep me warm

Ooh I can't remember a worse December
Just watch those icicles form!
What do I care if icicles form?
I've got my love to keep me warm

Take off your overcoat, take off your glove
You don't need no overcoat, cause I'm burning with love!
My heart's on fire, the flame grows higher
So I will weather the storm!
What do I care how much it may storm?
I've got my love to keep me warm

Off with your overcoat, off with your glove
You don't need no overcoat, cause I'm burning with love!
My heart's on fire, the flame grows higher
So I will weather the storm!
What do I care how much it may storm?
I've got my love to keep me
I've got my love to keep me
I've got my love to keep me warm
