

Let It Be Me

Rod Stewart

I bless the day I found you
I want to stay around you
And so I beg you
Let it be me

Don't take this heaven from one
If you must cling to someone
Now and forever
Let it be me

Each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell me you love me only
And that you'll always let it be me
And that you'll always let it be me

Each time we meet, love
I find complete love
Without your sweet love
What would life be?

So never leave me lonely
Tell me you love me only
And that you'll always let it be me
Let it be me, let it be me

Let it be me, let it be me
Why don't you let it?
Why don't you let it?
