

# Rhythm Of My Heart

Rod Stewart

**C#6** **F#**  
Across the street the river runs  
**C#6** **As**  
Down in the gutter life is slipping away  
**C#6** **F#**  
Let me still exist in another place,  
**C#6** **As** **C#6**  
Running down under cover Of a helicopter blade

**C#6** **F#**  
The flames are getting higher, in effigy  
**C#6** **As**  
Burning down the bridges of my memory  
**C#6** **F#**  
Love may still alive somewhere someday  
**C#6** **As** **C#6**  
where they're downing only deer, a hundred steel towns away

**C#6** **F#**  
Oh, rhythm of my heart is beating like a drum  
**C#6** **As**  
with the words "I Love you" rolling off my tongue  
**C#6** **F#**  
No never will I roam, for I know my place is home  
**C#6** **As** **C#6**  
Where the ocean meets the sky, I'll be sailing

**C#6** **F#**  
Photographs and kerosene  
**C#6** **As**  
light up my darkness, light it up, light it up  
**C#6** **F#**  
I can still feel the touch of your thin blue jeans  
**C#6** **As** **C#6**  
Running down the alley, I've got my eyes all over you, baby, Oh, baby

**C#6** **F#**  
Oh, rhythm of my heart is beating like a drum  
**C#6** **As**  
with the words "I Love you" rolling off my tongue  
**C#6** **F#**  
No never will I roam, for I know my place is home  
**C#6** **As** **C#6** **As** **C#6**  
Where the ocean meets the sky, I'll be sailing (I'll be sailing)

...Oh, yeah...

**C#6** **F#**  
Oh, I've got lightning in my veins,  
**C#6** **As**  
shifting like the handle of a slot machine  
**C#6** **F#**  
Love may still exist, in another place.  
**C#6** **As** **C#6**  
I'm just yanking back the handle, no expression on my face

**C#6**

**F#**

Oh, rhythm of my heart is beating like a drum

**C#6**

**As**

with the words "I Love you" rolling off my tongue

**C#6**

**F#**

No never will I roam, for I know my place is home

**C#6**

**As**

**C#6**

Where the ocean meets the sky, I'll be sailing
