## The Best Days of My Life

**Rod Stewart** 

You always said living with me was impossible Try it I said just like the wind I'm changeable We ain't got money but we sure got laughs lots of loving too So I confess on my behalf you're giving me honestly the best days of my life

Your whispering girls said don't be a fool don't give into him He's an animal treat you like dirt then he'll turn you in You two are not compatible It'll never never last They said I wasn't even suitable But you're giving me honestly the best days of my life

Sometimes I wonder why does she bother with me at all So staid in my ways Let's face it my dear, I'm insufferable

The crazy nights spilling into days with all my noisy friends But they all love you as much as I Giving me constantly the best days of my life And a day without you at this point my dear seems unthinkable A night without you more often than not is unbearable

But if it all can't work out one can never never tell In my heart there is no doubt you gave to me unselfishly the best days of my life

But if it all can't work out one can never never tell
