They Can't Take That Away From Me

Rod Stewart

The way you wear your hat The way you sip your tea The memory of all that No no they can't take that away from me

The way your smile just beams The way you sing off key The way you haunt my dreams No no they can't take that away from me

We may never never meet again, on that bumpy road to love Still I'll always, always keep the memory of

The way you hold your knife The way we dance till three The way you change my life No no they can't take that away from me No they can't take that away from me Yeah yeah

We may never never meet again, on this bumpy road to love Still I'll always, always keep the memory of

The way you hold your knife The way we dance till three The way you change my life No no they can't take that away from me No they can't take that away from me No they can't take that away from me No they'll never never never take that away from me No they can't take that away...
