You Can Make Me Dance, Sing or Anything

Rod Stewart

Hey baby, I wanna say somethin' to ya', listen

Sometimes when I get out of my head And I say all the wrong things Sometimes I know I stay out late at night And I get back fighting, hey babe

And somehow all my plans keep slippin' through my hands And I end up crying But listen, I can be a millionaire Honey when you're standing there you're so exciting

You can make me dance, you can make me sing You can make me do just any old thing and I love it

Sometimes I wanna get up so early
And get away from here girl
Summer's gone and before long
North winds blow that bring the snow, I'll keep us warm girl

My schemes it seems are merely dreams Fading with each morning, hey babe But this old heart of mine Is far too proud not to keep on tryin'

You can make me dance, you can make me sing You can make me do just any old thing, yeah baby Ah yeah

So little bird don't fly away
Want you here every day
Don't ever leave me
I'd rather lose both my eyes
Than never see your smiling face again, girl

You can make me dance, you can make me sing You can make me do just any old thing You can make me dance, you can make me sing You can make me do just any old thing

Hey babe

Keep on loving me babe, yeah Keep on loving me babe Just keep on loving me babe Just keep on loving me babe Just keep on loving, ooh baby

Keep on loving me darling
Just keep on loving me darling
Just keep on loving me darling
Just keep on loving me darling
Darling, darling, ha ha

Oww, alright
Hey baby, oh darling
Keep on loving me darling
Just keep on loving me darling

Just keep on loving me darling Just keep on loving me darling Just keep on loving me darling
