

# Always Heading Home

Roger Daltrey

See it in the sunrise  
Gold that turns to blue  
Flashing light on water  
Smoky rainfall too

The dancing of the atom  
Rocks and running streams  
Long forgotten stories  
Memories and dreams

The beauty of the children  
The wisdom of the old  
The changing of the seasons  
Always heading home

From year to year, from day to day  
From dawn to dark, from birth to grave  
Always heading home  
We're always heading home

It's there in children's voices  
Echoes from the past  
The music of the forest  
The silence of the stars

The rhythm of the ocean  
The call that can't be heard  
A feeling something's missing  
That can't be said in words

The way that all things balance  
The fast one and the slow  
The question and the answer  
Always heading home

From year to year, from day to day  
From dawn to dark, from birth to grave  
Always heading home  
We're always heading home

From year to year, from day to day  
From dawn to dark, from birth to grave  
Always heading home  
We're always heading home
