

Free Me

Roger Daltrey

Free me
Cant you hear that's what I say
Free me
Anyhow or anyway.

I hear a voice
Call in the night
Push on the brain
Fades with the light
And I've seen a face
With so many eyes
Out in the words
Know there lies
Can't you hear me say
Can't you hear me say
Can't you hear me say.

Free me
Free me
Inside I'm bleeding can't you see
Free me
From all this pain and misery.

I am a flame
But he held the fire
Call me a fool don't call me a liar
Take me to hell
And let me stay
Can't you hear me say
Can't you hear me say
Can't you hear me say.

Free me

I lie awake burning inside
No where to run and no where to hide
Old lady time
She's no friend to me
I feel her change
And she holds the key
Can't you hear me say
Can't you hear me say
Can't you hear me say.

Free me
Free me
Cant you hear that's what I say
Free me
Anyhow or anyway.
