Roger McGuinn

Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone
Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone

Now she got the eyes of blue
And she got the hair that's blonde
She got a happy way with you
That's why all the boys are fond of

Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone
Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone

Well she got a book full of names
And the numbers of some important people
She has fun playing her games
But sometimes she have to work a little

Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone
Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone

Lisa oh Lisa all the boys are talking about you
Lisa oh Lisa on the telephone
On the telephone
On the telephone
