

M' Linda

Roger McGuinn

I la la love M'Linda
She's my kind of girl
I la la love M'Linda
Tell it to the world

M'Linda I see you walkin'
On a Sunday afternoon
M'Linda in her white dress
As she comes into the room

I la la love M'Linda
She's my kind of girl
I la la love M'Linda
Tell it to the world

M'Linda look out the window
The moon is in the sky
M'Linda's eyes are sleepin'
While the world is passin' by

I la la love M'Linda
She's my kind of girl
I la la love M'Linda
Tell it to the world
