Shady grove my little love Shady grove I say Shady grove my little love Bound for shady grove Wish I was in shady grove Sittin in a rockin chair And if those blues would bother me I'd rock away from there Had a banjo made of gold Every string would shine The only song that it would play Wish that girl was mine When I was in shady grove Heard them pretty birds sing The next time I go to shady grove Take along a diamond ring When you go to catch a fish Fish with a hook and line When you go to court a girl Never look behind When I was a little boy All I wanted was a knife Now I am a great big boy I'm lookin for a wife
