

The Times I've Had

Roky Erickson

Let me tell you about the times I've had
Ain't so good and they ain't so bad
Mm, mm, mm, the times I've had

Let me tell you about the places I've been
Let me tell you about the trouble I've seen
Mm, mm, mm, the times I've had

People talk about a common war
Nobody knows, nobody's sure
They talk about it like a blackjack game
But win or lose, you can't win in that game

Let me tell you about the times I've had
Ain't so good and they ain't so bad
Mm, mm, mm, the times I've had

Let me tell you about the places I've been
Let me tell you about the trouble I've seen
Mm, mm, mm, the times I've had

People talk about a common war
Nobody knows, nobody's sure
They talk about it like a blackjack game
But win or lose, you can't win the same

Let me tell you about the people I've met
Let me tell you about the trouble I began
Mm, mm, mm, the times I've had
Mm, mm, mm, the times I've had
