

# Unforced Peace

Roky Erickson

It takes nothing to get there  
No remedies needed  
No killing, hurting, scaring and the like  
Be and let be is all that is heeded  
It's always needed  
It's understood and free it  
It's called unforced peace

Unforced peace  
Doesn't bring destruction  
Unforced peace  
Doesn't bring corruption  
Unforced peace you don't need to take junk one  
I receive it when you function

Unforced peace  
Doesn't fade away  
Unforced peace  
Doesn't delay or decay  
Unforced peace  
Doesn't evaporate  
Unforced peace persuades

As unforced peace in the States  
Unforced peace in Britain Great  
Unforced peace receives praise  
Unforced peace I can't evade  
Unforced peace is sane  
Unforced peace is humane  
Unforced peace hooray

As unforced peace in the palaces  
Unforced peace in the Indies  
Unforced peace where it's still  
Unforced peace where it's windy  
Unforced peace in cathedrals  
Unforced peace in churches  
Unforced peace on earth is

It takes nothing to get there  
No remedies needed  
No killing, hurting, scaring and the like  
Be and let be is all that is heeded  
It's always needed  
It's understood and free it  
It's called unforced love  
It's called unforced religion
