

Step Back

Rollins Band

You're so fuckin' weak, you disgust me! It's a drag when you bring me

Down

And all the things that you say, no one cares anyway

But then you've gotta deal with me

You step back!

You step back!

Or you fall down!

I see through the lies to the bottom of your eyes

Your fake charisma pulls you through!

And the house of cards that you built on the cheap shot guilt

Doesn't mean a fuckin' thing to me!

You step back!

You step back!

Or you fall down!

You're pathetic and you're weak, you're a fake and you lie

I'd like to crush you like an insect but I don't want to do the time

Do you really want to confront me?

Do you really want to deal with me? uh? uh? uh?, no!

I really don't think so! =

You step back!

You step back!

Or you fall down!

Now. what the fuck is going through your tiny little mind?

I'm gonna show ya how fragile you really are, yeah.

Yeah! I think I'm gonna fuck with you, I think I'm gonna fuck with you

Yeah you, yeah you! yeah you, motherfucker!
