

# You Let Yourself Down

Rollins Band

I remember when you told me that you had it all nailed down  
I remember when you told me that you had it all sewn up  
You said you'd go all night long  
All night long  
All night long  
You said you'd go all night long  
You let yourself down  
Let yourself down  
You let yourself down again

You let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down

Hang like hang man, junk like junk yard  
Live off girlfriend, say how life's hard

All night long  
All night long  
You said you'd go all night long  
Let yourself down  
You let yourself down again

You let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down

You used to date porno, now you just rent  
Do you really wonder where the good times went?  
Everyone around you saying you're the man  
Now you're standing in the mirror saying I'm the man

All night long  
All night long  
You said you'd go all night long  
Let yourself down  
Let yourself down  
You let yourself down again

You let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down  
Let yourself down
