

# One Fire

Rome

We won't reveal our ailments, and what haunts our sleep nightly  
In this tiny little world, we've locked ourselves in so tightly  
And the dead stand between us like wreaths and the people we've  
abandoned,  
The life, we've surrendered to the streams.

O Rhodesia, I've given you my all  
And now, I'm nothing  
I'm nothing, I'm nothing, I'm nothing, I'm nothing

One fire fights one fire  
One nail one nail  
Rights by rights falter  
Strengths by strengths do fail (2x)

All that's left now are dreams of kings we've murdered to dissect  
For our intellect misshapes the beautiful forms of things  
So, we bleat a little, twist a little, rotting in the belly of  
the beast, while you feel  
You cannot be wrong

O Rhodesia, I've given you my all  
And now, I'm nothing  
I'm nothing, I'm nothing, I'm nothing, I'm nothing

One fire fights one fire  
One nail one nail  
Rights by rights falter  
Strengths by strengths do fail (3x)

O Rhodesia, I've given you my all  
And now, I'm nothing  
I'm nothing, I'm nothing, I'm nothing, I'm nothing

One fire fights one fire  
One nail one nail  
Rights by rights falter  
Strengths by strengths do fail (7x)
