## **Gold In Them Hills**

## **Ron Sexsmith**

I know it doesn't seem that way But maybe it's the perfect day Even though the bills are piling And maybe Lady Luck ain't smiling

But if we'd only open our eyes We'd see the blessings in disguise That all the rain clouds are fountains Though our troubles seem like mountains

There's gold in them hills
There's gold in them hills
So don't lose heart
Give the day a chance to start

Every now and then life says
Where do you think you're going so fast
We're apt to think it cruel but sometimes
It's a case of cruel to be kind

And if we'd get up off our knees Why then we'd see the forest for the trees And we'd see the new sun rising Over the hills on the horizon

There's gold in them hills
There's gold in them hills
So don't lose faith
Give the world a chance to say...

A word or two, my friend There's no telling how the day might end And we'll never know until we see That there's gold in them hills

There's gold in them hills So don't lose heart Give the day a chance to start

There's gold in them hills There's gold in them hills
