because we do what we do till it's done I love the way we do what we do because we do what we do and it's fun you're the one

When you're around my eyes will never wander And there ain't no-one else I've ever been more fonder of So baby don't you break this spell I'm under yeah

*: When I look into your eyes I don't have to fantasize You're a dream that's realised
I'm dancing on the moon inside
If life is cruel then someone lied

R:

I dig it when we kiss and we hug and you're cuter than a bug in a rug my love
