

# Lost for Words

Ronan Keating

If I can't find the words...

Waiting for this feeling  
That I'm drowning in to subside  
You make me swim like a beginner  
Like I'm new at life  
All these words don't come easy  
No they always seem to stop  
There is awkward silence yeah  
Anytime we talk

Oh but I wanna let it in  
I wanna ease all your doubts  
I keep trying to get it out

But if I can't find the words  
To tell you what I'm feeling  
Baby that don't mean  
It don't mean that I don't feel it  
I'm trying to tell you girl  
But if you don't believe just look and see  
My face says what you mean to me  
When I can't find the words

I know I can send you flowers  
To try to make my feelings clear  
And girl I could hold you tight for hours  
I wanna tell you what you're trying to hear

Oh and I wanna let it in  
I wanna ease all your doubts  
I keep trying to get it out

But if I can't find the words  
To tell you what I'm feeling  
Baby that don't mean  
It don't mean that I don't feel it  
I'm trying to tell you girl  
But if you don't believe just look and see  
My face says what you mean to me  
When I can't find the words

But I know sometimes I leave you so upset  
Cos I got all these bits and pieces in my head  
I know because I let you struggle with the things I haven't said

When I can't find the words  
When I can't find the words  
When I, when I, when I can't find the words  
I wanna ease all your doubts (ease all your doubts)  
I keep trying to get it out

But if I can't find the words  
To tell you what I'm feeling  
But baby that don't mean  
It don't mean that I don't feel it  
I'm trying to tell you girl

But if you don't believe just look and see

My smile says what you mean to me

When I can't find the words

If I can't find the words
