

Heart Letting Go

Ronnie Dunn

I don't see the same look in your eyes
One that used to say we're meant to be
I can't feel the hunger in your touch
You used to tell me I'm all you need

It's hard to stay or leaving her first
I'm not sure which one is the worst
Cause tonight I'll hold the love I used to know
Listen to a heart letting go

Just how long it's been I can't recall
Since I felt the warmth of your kiss
Though all the little things you used to do
Are all the things that I already miss

It's hard to stay leaving her first
I'm not sure which one is the worst
Cause tonight I'll hold the love I used to know
Listen to a heart letting go

You decide to say goodbye
How am I suppose to live without you, I don't know
Don't know why I'm holding on
We both know that you're already gone

It's hard to stay or leaving her first
I'm not sure which one is the worst
Cause tonight I'll hold the love I used to know
Listen to a heart letting go

Yeah, tonight I'll hold the love I used to know
Listen to a heart letting go, a heart letting go
