

If You Don't Know Me by Now

Ronnie Dunn

If you don't know me by now
You will never never never know me

All the things we've been through
You should understand me like I understand you
Now girl I know the difference between right and wrong
I ain't gonna do nothing to break up our happy home

Ooh don't get so excited
When I come home late at night
Cause we only act like children
When we argue fuss and fight

If you don't know me by now (If you don't know me)
You will never never never know me (No you won't)
If you don't know me by now
You will never never never know me

Now we've all got our own funny moods
I've got mine, woman you've got yours too
Just trust in me like I trust in you
As long as we've been together it should be so easy to do

Ooh just get yourself together
Or we might as well say goodbye
Oh what good is a love affair
When you can't see eye to eye

If you don't know me by now (Oh you never know me)
You will never never never know me
If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me (No you won't)
