

Cry Cry Darling

Ronnie Milsap

Cry, cry, darling, that's what I'd do
If you leave me with clues
Cry, cry, darling, that's all I'd do
If it's you I should lose

For me, there'd be no sunshine
If ever we should part
Cry, cry, darling, that's what I'd do
'Cause you're the one in my heart

Cry, cry, darling, my eyes would cry
And never dry if you should go
Cry, cry, darling, when shadows creep
I'd just weep all night, I know

GIrl, you know how much I'd miss you
If ever we should part
Cry, cry, darling, that's all I'd do
'Cause you're the one in my heart

You know I'd cry, cry, darling, that's all I'd do
'Cause you're the one in my heart
