

Delta Queen

Ronnie Milsap

I see her comin' 'round the bend
Prettist sight I've ever seen
She's comin' to take me
Home again
Oh, how I love my Delta Queen

Catfish are jumpin' as the big wheel turns
I can almost feel that warm southern breeze
Full speed ahead she's runnin' right on time
I got a yearnin' to be free Delta Queen

Delta Queen
Rollin' along
Delta Queen
Whistelin' a song
Say bye-bye worries
Leave 'em all up stream
Carry me away Delta Queen

Magnolia blossom honey suckle vine

There's a place that's waitin' just for me
Stars shine like diamonds in that southern sky
For me and my Delta Queen

Delta Queen
Rollin' along
Delta Queen
Whistelin' a song
Say bye-bye worries
Leave 'em all up stream
Carry me away Delta Queen
Delta Queen
Rollin' along
Delta Queen
Whistelin' a song
Say bye-bye worries
Leave 'em all up stream
Carry me away Delta Queen
Delta Queen
