

# I Honestly Love You

Ronnie Milsap

Maybe I hang around here a little more than I should  
We both know I've got somewhere else to go  
But I got somethin' to tell you that I never thought I would  
That I believe you really ought to know  
I love you, I honestly love you

You don't have to answer, I see it in your eyes  
Maybe it was better left unsaid  
But this is pure and simple and you must realize  
That it's comin' from my heart and not my head  
I love you, I honestly love you

I'm not tryin' to make you feel uncomfortable  
I'm not tryin' to make you anything at all  
But this feelin' doesn't come along ev'ry day  
And you shouldn't blow the chance when you've got the chance to  
say  
I love you, I love you, I honestly love you

If we both were born in another place and time  
This moment might be ending in a kiss  
But there you are with yours and here I am with mine  
So I guess we'll just be leavin' it at this  
I love you, I honestly love you, I honestly love you
