

I'm Not Trying to Forget

Ronnie Milsap

Don't go where you think she'll be, that's all I hear
Don't stay at home alone with memories near
They say I'll find someone new, I'll get over you yet
They don't know I'm not trying to forget

I'm not trying to forget
You and I were close as close can get
I'm not throwing out sweet memories
I've no regrets
No, I'm not trying to forget

They say don't play those sad songs, 'cause they'll bring me tears
Don't keep holdin' on to love souvenirs
They all introduce me to each new girl that they've met
They don't know I'm not trying to forget

I'm not trying to forget
You and I were close as close can get
I'm not throwing out sweet memories
I've no regrets
No, I'm not trying to forget

I'm not throwing out sweet memories
I've no regrets
No, I'm not trying to forget
