

I've Got the Music in Me

Ronnie Milsap

Ain't got no trouble in my life
No foolish dream to make me cry
I'm never frightened or worried
I know I'll always get by
I heat up
I cool down
When something gets in my way I go round it
Don't let life get me down
Gonna take it the way that I found it

I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me
I got the music in me

Feel funky
Feel good
Let me say I'm in the neighborhood
Gonna fly like a bird on the wing
Hold on to your hat honey
Sing, sing, sing

I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me
I got the music in me

They say that life is a circle
But that ain't the way that I found it
Gonna move in a straight line
Keeping my feet firmly on the ground
I heat up
I cool down
I got words in my head so I say them
Don't let life get me down
Catch a hold of my blues and just play them

I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me
I got the music in me

I got the music in me
I got the music in me

I got the music
The good old country music
I got the music in me
