

Let's Take The Long Way Around The World

Ronnie Milsap

In the daily rush of things
If we stop to think it seems
We never have time alone

Doing things we have to do
Not much time for me and you
Before we know it, it will all be gone

Lets take the long way around the world
Sharing each other as we go
Lets take the long way around the world
And let's take it real slow

I get hungry just to talk
Take your hand and take a walk
I never have you to myself enough

The two of us are really one
And when its all said and done
The only thing that really lasts is love

Lets take the long way around the world
Sharing each other as we go
Lets take the long way around the world
And lets take it real slow

Lets take the long way around the world
Sharing each other as we go
Lets take the long way around the world
And lets take it real slow

Lets take the long way around the world
Sharing each other as we go
Lets take the long way around the world
And lets take it real slow
