Ronnie Milsap

Now I'm lying here with Linda on my mind

And next to me my soon to be the one I left behind

And Lord it's killing me to see her cryin'

She know I'm lying here beside her with Linda on my mind

Yes I know that I once loved her and I place no one above her

And I never thought I'd ever set her free

But it just wasn't in my plans the way Linda squeezed my hand

The first time that I held her close as she danced with me

She said I've loved you for such a long time but you're married

to a friend of mine

And I try hard to never let it show

But my love for you is stronger and I can't hide it any longer

And so I thought I'd better let you know

Now I'm lying here with Linda on my mind...
