Lost In The Fifties Tonight

Ronnie Milsap

Close your eyes, baby Follow my heart Call on the memories Here in the dark

We'll let the magic
Take us away
Back to the feelings
We shared when they played

In the still of the night
Hold me darlin', hold me tight, oh
So real, so right
Lost in the fifties tonight

These precious hours
We know can't survive
But love's all that matters
While the past is alive

Now and for always Till time disappears We'll hold each other Whenever we hear

In the still of the night
Hold me darlin', hold me tight, say
So real, so right
Lost in the fifties tonight

Oh, so right, say
Oh, so real, so right
So real, so right
