

My Heart

Ronnie Milsap

I'll take a long vacation
I need a change of scenery
I'll see the sights; go out at night
There'll be no time for your memory

I'll get a new apartment
Make friends that don't know who you are
'Cause when I'm through, I'm really through
If I can just convince my heart

Oh, but my heart, says I'm not so smart
My heart tears my plans apart
My heart won't admit we're through
'Cause my heart; oh, my heart still belongs to you

I'll call some old phone numbers
And I'll throw a party for a star
I've made a vow, it's all over now
If I can just convince my heart

Oh, but my heart, says I'm not so smart
My hear tears my plans apart
My heart won't admit we're through
'Cause my heart; oh my heart still belongs to you

Oh, but my heart, says I'm not so smart
My hear tears my plans apart
Oh, my heart won't admit we're through
'Cause my heart; oh my heart still belongs to you
