

Once I Get Over You

Ronnie Milsap

My friends call day after day
They say find somebody new
Well maybe one day I will
Once I get over you

They say time heals broken hearts
I still don't know if it's true
But maybe one day I will
Once I get over you

Foolish as it was how I let myself believe
Your love was just as strong as mine
I would have bet my life that loving you was right
Right up until you said goodbye

The way to fall out of love
Is something I wish I knew
And maybe one day I will
Once I get over you

The way to fall out of love
Is something I wish I knew
And maybe one day I will
Once I get over you
Once I get over you
