

Since I Fell for You

Ronnie Milsap

When you just give love
And never get love
You'd better let love depart
I know it's so, and yet I know
I can't get you out of my heart

You made me leave my happy home
You took my love and now you've gone
Since I fell for you

Oh, love, love, love
Brings such misery and pain
I guess I'll never be the same
Since I fell for you

Well, it's too bad and it's too sad
But I'm in love with you
First you love me then you snub me
But what can I do?
I'm still in love with you

I, I guess I'll never see the light
I get the blues most every night
Since I fell for you

Baby, hey, alright

~~~♪♪♪~~~

Oh, tell me what can I do?  
I'm still in love with you

Well, I guess I'll never see the light  
I get the blues most every night  
Since I fell for you  
Since I fell for you
