

Snap Your Fingers

Ronnie Milsap

Snap your finger-ers
I'll come runnin'
Back to you-ou-ou-ou-ou
On bended knee-ee-ee-ee
Snap your finger-ers
I-I-I'll come runnin'
I-I'll be true-ue-ue-ue
Take a chance on me-ee

Let your light turn gree-een
Baby, I've gotta know-ow-ow
Give me some kind of clue-ue-ue
Should I stay-ay or go-o-o
Let me love you like the lover-er
That you used to know
Turn the key and let me i-i-i-in
Through that same old door-oor

Oh I had it, but I lost it
Now I've got a broken heart to me-end
But I don't care what the cost is
I've got to find my way back i-in

So you just snap your finger-ers
Baby, I-I-I'll come runnin'
I'll do anythi-i-i-ing
To get back agai-ain

Oh-oh... I had it (I had it)
Oh but I've lost it (I lost it)
Now I've got a broken heart to mend (heart to mend)
Baby listen, I don't care what the cost is
I've got to find my way-ay back in

So you just snap your finger-ers
And baby I-I-I'll come runnin'
I'll do anythi-i-i-ing
To get back again..., yeah!
