

# You and Me, Me and You

Ronnie Milsap

You took me way back in the country  
You fed me on love and greens  
I laid my head on your feather bed  
And I sure had some mighty sweet dreams

Don't you know we got something going on  
You and me, me and you  
Love can be a song if you like the tune  
So sing to me and I'll sing to you

Ooh the mornings come easy in the country  
I never had this feeling before  
Ever since you've found me love has been around me  
I'll never be lonely no more

Don't you know we got something going on  
You and me, me and you  
Love can be a song if you like the tune  
So sing to me and I'll sing to you
