

# Peace Be With You

Roo Panes

Well, yes you hurt me  
But I'll teach you how to learn me  
It's time to put aside the pain  
Forgive and wash away the stains  
And love you with what time remains anyway  
Who wants the truce of bruises?

So you're in my prayers  
Peace be with you  
Amen  
Amen

In grace he wrote forgiveness  
The one who never needs it  
So freely given, I will give  
'Cause the simple truth is we don't win  
We both lose  
In a truce of bruises

Peace be with you  
Peace be with you  
Peace be with you  
Peace be with you

Amen  
Oh, peace be with you  
Amen  
Amen

Ooh, ooh  
Ooh, ooh
