

If I had a hammer I hammer in the morning  
Hammer in the evening all over Jah Creation  
Then I spread more love inside the warrior nation  
What we really need to do is learn to love each other  
Hear mi now dupes and hear mi now "Top Shotter"  
Its time to ride the heavens and see what really matter  
Up in the lane, People we a suffer  
Still don't get no response from emergency number

Giow,Giow, That's all them know (x 3)  
We need to teach the youths to grow!

If I had a trumpet I'd play in in the morning  
Play it in the evening like on every radio station  
Then I'd spread more love inside the warrior nation  
What we really need to do is learn to love each other  
Hear mi now dupes listen renegades time to ride the  
heavens and you see what really matter  
Cause up in the lane people we a suffer  
Still don't get no response from emergency number

Giow,Giow, That's all them know (x 3)  
We need to teach the youths to grow!  
Lets give them something to think about it

Blessed is the man that walketh not in the council of  
the ungodly  
Nor standeth in the way of sinners nor sitteth in the  
seat of the scornful  
But his delight is in the law of the most High Jah  
Rastafari  
And in his law will we meditate both day and night  
And INI leaf , locks nor love shall never wither  
And everything I doeth shall prosper  
But the ungodly are not so but are like the chaff that  
the wind driveth away  
So the ungodly shall never stand in a hotter fire  
judgement  
For Jah Rastafari knoweth the way of the righteous  
And the way of the sinners and the way of the sinners  
Shall utterly be downstroyed Selah. (PSALM 1)
