

For the Last Time

Rory Gallagher

You've done me wrong
For the last time
You've sung your song
Now I'm goin' to sing mine

Out loud, so loud
Like the roaring sea

You've played around
For the last time
You've shown your claws
Now I'm goin' to show mine

Watch out, I feel about
In the night

You went around
Since the very first day
You've had your moment
Now I'm gonna have my play

So long, I'll be gone
In the night

You've done me wrong
Since the last time
I hit the floor
But I got up on the count of nine

Goodbye, don't cry
When I'm gone
