

Down On Love

Rosanne Cash

You say you like my lovin'
You say you like my style
But you're too quick with your fast talk
And you're too quick with your smile
I don't know what your plan is
Or what you're thinkin' of
I just know you're high on lovin' baby
But you're down on love

You know I like your lovin'
But lovin' ain't enough
I'm the kind that likes to feel it
Not that near love stuff
I don't know what your plan is
Or what you're thinkin' of
I just know you're high on lovin'
But you're down on love
You're down on love

Yes I know the reason why
You're the passin' through type, baby
And I'm just not that kind
I don't know what your plan is
Or what you're thinkin' of
I just know you're high on lovin', baby
But you're down on love
You're down on love

You say you like my lovin'
You said you like my style
But you're too quick with your fast talk
And you're too quick with your smile
I don't know what your plan is
Or what you're thinkin' of
I just know you're high on lovin', baby
But you're down on love
I said I don't know what your plan is
But I don't like givin' up
I just know you're high on something, baby
But you're down on love
You're down on love
