

# If It Weren't For Him

Rosanne Cash

(Vince Gill - Rosanne Cash)  
Vince Gill & Rosanne Cash

If she'd only knew what was in my head  
Why can't she see my heart is breaking  
If she'd only knew what I was thinking

She'd be mine if it weren't for him.  
Still I can't learn to live without  
So many times I dreamed I had her  
See your face would be my destiny  
I call her name when I lay down  
Her jealous heart is all I found.

Now I won't take what you can give to me  
If it weren't for him then you'd be mine.  
--- Instrumental ---

This lonely place is all I hope to find

If he'd only knew what I was thinking  
If he'd only knew what was in my head  
Why can't he see my heart is breaking

He'd be mine if it weren't for him.  
You'd be mine if it weren't for him...
