

Silver Wings

Rosanne Cash

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight

Don't leave me, I cried
Don't take that airplane ride
Then you locked me out of your life
Left me standing here behind

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight

Don't leave me, I cried
Don't take that airplane ride
Then you locked me out of your life
Left me standing here behind

Silver wings shining in the sunlight
Roaring engines headed somewhere in flight
They're taking you away and leaving me lonely
Silver wings slowly fading from sight
Silver wings slowly fading from sight
