

# Tell Heaven

Rosanne Cash

When you're like a broken bird  
Tell heaven  
Battered wings against a darkened day  
When your worries won't let you sleep  
Tell heaven  
When the tears won't ever go away

If you got no one to love  
Tell heaven  
There's no one on the telephone today  
When every story falls apart  
Tell heaven  
Nothing good seems like it'll come your way  
Tell heaven  
Tell heaven

With heavy hearts and empty rooms  
Tell heaven  
You don't have to know what you will say  
The empty sky may never take our burdens  
But something good will someday come our way  
So tell heaven  
Tell heaven
