

Born To Love You

Rose Royce

Talking about what
Born to love you
Ooh sweet thing, my little sweet thing I was
Born to love you
I wanna see you girl
You're my reason for living
And I don't want to live unless I'm giving
All my love and affection to you
Say no more boy
I believe every word you're saying is true

And I love you
Baby I need you, yeah yeah yeah

Ooh, ooh girl
Lord knows that I was born to love you
Baby let me say
You're my heart and soul
And you're more precious than gold and I was
Born to love you
Baby baby baby babe
I hear bells ringing
And a choir singing
Every time you're with me you're mine
Girl you're such a sweet thing
You are my everything
And I'm so glad that you are mine

Baby
